EXPERIENCE

Print & Marketing Specialist – Staples

May 2019 – May 2020

- Collaborate with clients about the needs of their businesses, specifically advertising.
- Communicate effectively with coworkers about product creation, client collaboration, and marketing goals during and outside of business hours.
- Establish successful multitasking skills by assisting and advising clients, creating new print orders, and hands-on production of orders.

Independent Study – Research on Anger

Spring 2017

- Attended weekly meetings with the Professor/head of research project and brainstormed with fellow undergraduate and graduate students.
- Requested and compiled information from hundreds of medical offices, cardiology clinics, hospitals, and other organizations affiliated with cardiology.
- Organized relevant information for several of these offices/hospitals, etc. into multiple Excel spreadsheets, categorized by city.
- Created and evaluated standardized scales to assess anger in collaboration with colleagues.

Team Member – Taco Cabana, San Antonio, TX

September 2016 – October 2017

- Responsible for maintaining a presentable and clean work environment.
- Provided an enjoyable experience through greeting customers, answering questions and addressing concerns.
- Prioritized execution of tasks while effectively working on a team.
- Demonstrated versatility by filling in for other team members with different responsibilities as needed.

PROJECTS

Geriatric Satisfaction and Cognitive Function Research Paper

November 2016

- Conducted extensive research regarding the relationship between level of cognitive function and overall life satisfaction in geriatric-aged individuals.
- Created a mock experiment by compiling past research conclusions and generating likely results in relation to my hypothesis.
- Combined research and projected results into a coherent, well-organized report.
- Performed an oral presentation on the significance and viability of the experiment.
